

TotalCAD

SOLUTION CENTRE

www.totalcad.co.za

CLARITY ON EVERY DRAWING.

ANNOTATE TOOL

Clear communication.
Consistent documentation.
Better coordination.

FAST ANNOTATION

Add and edit
annotations
in seconds.

CONSISTENT STANDARDS

Use preset styles
to keep drawings
professional.

CLEARER COMMUNICATION

Highlight what
matters. Reduce
misunderstandings.

BETTER COORDINATION

Well-annotated
drawings,
better results.

SAVE TIME

Annotate faster
without slowing
your workflow.

IMPROVE ACCURACY

Precise notes and
dimensions where
you need them.

STAY CONSISTENT

Standardised annotations
across every sheet.

WORK TOGETHER

Better clarity for your
team and consultants.

Ci TOOLS
CABINETS
TOOL

DESIGN ANY CABINET.
CHANGE ANYTHING.
UPDATE INSTANTLY.

Ci CABINETS TOOL

ANY SHAPE

BIM-READY
DOCUMENTATION

ONE TOOL.
ENDLESS
POSSIBILITIES.

MODEL SMARTER.
DELIVER BETTER.

- ✓ Save time
- ✓ Reduce errors
- ✓ Impress **every** client

COVER EVERY DETAIL. AUTOMATICALLY.

COVERINGS TOOL

Intelligent. Dynamic.
Construction-Ready.

AUTOMATIC UPDATES

Change your model,
coverings update
instantly.

ROOFS. WALLS. FLOORS.

Cladding, decking,
trims, gutters,
flashings & more.

TRUE 3D DETAIL

Adds depth, realism
and construction
accuracy.

BETTER DOCUMENTATION

Accurate take-offs,
schedules and
quantities.

MAXIMUM IMPACT

Stunning visuals.
Coordinated
results.

THE DETAILS THAT MAKE THE DESIGN.

DETAIL ELEMENTS TOOL

Smart details.
Consistent results.
Built for **Archicad**.

READY-TO-USE DETAILS

High-quality,
parametric details
at your fingertips.

FULLY CUSTOMISABLE

Adapt and reuse
details to suit
any project.

CONSISTENT & ACCURATE

Maintain standards
across all drawings
and documentation.

SAVE TIME ON EVERY PROJECT

Detail faster.
Document smarter.
Deliver better.

PRECISE DETAILS

Built to industry
standards with
accuracy.

EASY TO USE

Drag, drop and
customise in
seconds.

WORK SMARTER

Reuse details.
Reduce rework.

BETTER DOCUMENTATION

Clear, consistent and
professional outputs.

DESIGN OPENINGS. PLACE SMARTER. DOCUMENT FASTER.

DOORS + WINDOWS TOOL

Intelligent. Parametric.
Built for **Archicad**.

FULLY PARAMETRIC

Resize, restyle and
reconfigure instantly.

SMART PLACEMENT

Place in walls
with precision.

ALWAYS CONNECTED

Updates across plans,
elevations, sections
and 3D.

ENDLESS OPTIONS

Doors, windows,
curtain walls &
custom styles.

ACCURATE SCHEDULES

Auto data, quantities
and door/window
schedules.

BETTER VISUALS

Realistic in 3D.
Precise in 2D.

SAVE TIME

Automate openings.
Focus on design,
not drafting.

POWER EVERY SPACE. DESIGN SMARTER.

schedules &
legends.

UPDATE ONCE

Changes reflect
throughout your
project.

CLEAR

Better coordination.
Fewer errors.
Stronger documents.

YOUR TOOLS. YOUR WAY. INSTANT ACCESS.

LAUNCHPAD TOOL

Fast. Customised.
Always ready.
Built for **Archicad**.

ONE-CLICK ACCESS

Open your favourite
tools and files
instantly.

CUSTOMISE YOUR WORKFLOW

Tailor your workspace
to the way you work.

SAVE TIME EVERY DAY

Less searching.
More designing.

STAY FOCUSED

Everything you need,
right where you
want it.

INSTANT START

Launch tools, templates
and projects in
seconds.

FULLY CUSTOMISABLE

Organise your favourites
and create your
ideal setup.

WORK SMARTER

Speed up repetitive tasks
and boost your daily
productivity.

BUILT FOR ARCHICAD

Seamless integration.
Designed to enhance
your BIM workflow.

SMART DATA. BETTER DESIGN. STRONGER PROJECTS.

METADATA TOOL

Organise. Connect.
Deliver with **confidence**.

METADATA

	Element ID W-102
	Type Window
	Manufacturer AluFrame
	Finish Anodised Black
	Fire Rating -
	Acoustic Rating Rw 38
	Cost Code 2010
	Maintenance Low
	Warranty 10 Years

CONNECTED DATA

Link key information
to your elements.

EASY TO FIND

Search, filter and
manage instantly.

CONSISTENT PROJECTS

Reuse and standardise
across your practice.

ACCURATE DOCUMENTATION

Reliable data in every
drawing and schedule.

SAVE TIME LESS ERRORS

Automate data.
Focus on design.

MEASURE ACCURATELY. ESTIMATE CONFIDENTLY.

QUANTITIES TOOL

Accurate take-offs.
Instant schedules.
Better decisions.

ACCURATE TAKE-OFFS

Precise quantities
from your model.

INSTANT SCHEDULES

Generate schedules
in seconds.

REAL-TIME UPDATES

Changes reflect
instantly across
all data.

BETTER DECISIONS

Reliable data for
smarter estimating
and planning.

HIGH ACCURACY

Reduce manual
errors and rework.

SAVE TIME

Automate take-offs
and focus on
design.

COST CONTROL

Know more.
Spend smarter.

BETTER COLLABORATION

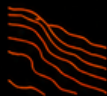

Share clear, consistent
quantities with
your team.

DESIGN OUTDOORS. PLAN WITH CONFIDENCE.

SITES & LANDSCAPING TOOL

Smarter site planning.
Better context.
Stronger designs.

MODEL NATURALLY

Accurate terrain
and contour tools
save time.

BUILT FOR ARCHICAD

Seamless workflow.
Full integration.
Maximum efficiency.

WORK WITH THE TERRAIN

Model topography
and contours
with ease.

LANDSCAPING MADE SIMPLE

Add vegetation,
hardscapes and
site elements fast.

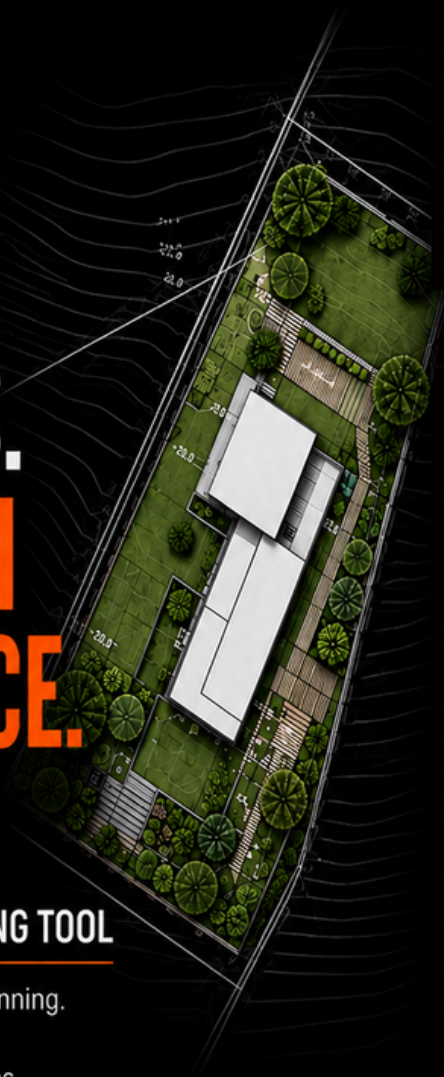

ACCURATE SITE ANALYSIS

Understand sun,
shadow and slope
in context.

BETTER PLANS. BETTER OUTCOMES.

Clearer coordination
from concept to
construction.

BETTER STAIRS. BUILT IN MINUTES.

STAIRS TOOL
